IMPROVEMENT RATING

UNSATISFACTORY

ADEQUATE YEARLY PROGRESS

YES

This school met 13 out of 13 objectives. The objectives included performance and participation of students in various groups.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for All Students and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency.

SOUTH CAROLINA PERFORMANCE GOAL

By 2010, South Carolina's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

DEFINITIONS OF SCHOOL RATING TERMS

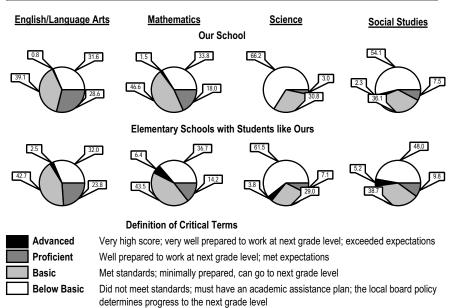

- Excellent School performance substantially exceeds the standards for progress toward the 2010 SC Performance Goal
- •Good School performance exceeds the standards for progress toward the 2010 SC Performance Goal
- Average School performance meets the standards for progress toward the 2010 SC Performance Goal
- Below Average School is in jeopardy of not meeting the standards for progress toward the 2010 SC Performance Goal
- Unsatisfactory School performance fails to meet the standards for progress toward the 2010 SC Performance Goal

PERCENT OF STUDENT PACT RECORDS MATCHED FOR PURPOSES OF COMPUTING IMPROVEMENT RATING

Percent of students tested in 2005-06 whose 2004-05 test scores were located.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We have had a productive year at James J. Davis Elementary. Our level of student achievement and performance has increased. This year, we implemented new initiatives and those set forth by the district to ensure that we meet the needs of all students. Faculty, staff, parents and community stakeholders have been working hard to make sure that no child is left behind.

Our staff has been instrumental in implementing positive change throughout the school. Several unique programs have been put in place to ensure academic growth and student achievement. Some of the programs that define our school are Reading Recovery, South Carolina Reading First Initiative, and the Teacher Advancement Program. Strategies of Creative Curriculum were developed in grades pre-kindergarten and kindergarten, while grades 1-5 utilized a strong emphasis on mathematical concepts and process. Also, we have been utilizing the strategies from South Carolina Reading First, which places a strong literacy emphasis on early literacy in grades kindergarten through third. Our students are encouraged to participate in leadership activities such as Student Council, Character Club, Peer Mediators groups, and School Safety Patrol.

Staff and Professional development has also been a top priority at James J. Davis Elementary. Through our staff developments, we strived to maintain an instructional focus for every calendar day of the entire school year. Our school-wide initiatives have helped us improve more on student achievement and learning.

MAP (Measuring Academic Progress) assessment in conjunction with PACT, our state standardized assessment, has allowed us to better individualize instruction for our students. MAP is administered in the fall and spring to grades 2-5. Benchmark testing and the use of other formative assessments have allowed teachers to help close many of the achievement gaps that exist between high, middle, and low students. These forms of assessments are ongoing and require that teachers monitor and adjust instruction based on the needs of the students.

The South Carolina Reading First Initiative incorporates STAN 10 and Dominie assessments to measure academic growth in the primary grades. Parents are called to school for conferences and the students' test results are discussed and analyzed to determine strengths and weaknesses.

The community is committed to James J. Davis Elementary and has been a viable and integral resource for our students. We have recognized our parent and community volunteers during the school awards ceremonies and celebrations.

My primary goal is always based on three measures of success: student growth, student learning, and student achievement. With these measures of success in place, my staff and I will continue to work hard to develop our students into becoming productive, hardworking citizens.

Mr. Larkin Hancock, Jr. Principal

| EVALUATIONS BY TEACHERS, STUDENTS, AND PARENTS | | | | | | | |
